As founder of Dear Skyler Productions, Jack Skyler can bring to any film a professional and reliable production team with credits from *Surrogates* and *The Collector*. The team is complete with: cinematographer, gaffer, grip, make-up artist, effects technician, editor, etc., and will work on a Jack Skyler film for a small fraction of the cost of any similar team.

Further, Jack Skyler can bring in named, recognizable, and even Emmy-winning talents for union or non-union films, actors who are willing to sign on for any Jack Skyler film.
